

## ~~~~~RDP & VPS CARDING~~~~~

Sites to card from:  
[Site One](#) // [Site Two](#)

1. Go to [Here](#) & generate any fake details.
2. Go to [Here](#) and get a trial online number.
3. Register on the sites above with those fake details & the number u get from k7.net.
4. Order a windows vps(rdp) & set payment method as 2Checkout//Credit Card//2CO.
5. Now use the same states socks as that of the card you are going to use.
6. connect with the socks & login to site and go to pay.
7. Fill the credit card details on 2checkout & continue to pay.
8. After payment is completed you will get your server ready ;)

Easy Enough can be done by anyone easily.  
Thanks for buying

Regards,
